

26 June 2025
14:00 - 22:00
@NIOO

NIOO Birthday & Reunion

Join us on Thursday 26 June as we celebrate the grand finale of NIOO's anniversary year: 70 years of ecological research! But that's not all, we are also kicking off a brand-new year full of fresh opportunities.

We would love to celebrate this special day with the entire NIOO community: our current colleagues, our students and our valued alumni*. You are warmly invited to join us!

*Please also register if you are not able to join live, but are interested in joining online
